Curriculum Vitae et Studiorum
International Master Degree in Bioinformatics – University of Bologna

Personal information	
First name(s) / Surname(s)	**First name(s) Surname(s)**
Address(es)	
Telephone(s)	
Fax(es)	
E-mail	
Nationality	
Date of birth [day, month, year]	
Gender	

University Education	
Dates (start -end of Bachelor's course; Students without Bachelor's degree must indicate the expected graduation date)	
Name and type of organisation providing education and training	*(ex. University of Bologna - Italy)*
Title of qualification awarded	*(ex. BSc in Biology)*
Final mark (for candidates with bachelor's degree) or weighted average of the exams (for candidates without bachelor's degree)	*Please, report the <u>mark of Bachelor graduation</u>, as well as <u>the maximum and the minimum pass marks</u> that can be obtained in the education system you followed.* *Provide, when possible, the ECTS conversion*
Title and topic of the Bachelor's Thesis	

Language competence			
Mother tongue(s)			
Other language(s)			
(Self)-assessment	**Understanding**	**Speaking**	**Writing**
ENGLISH			

A copy of the certificate assessing the B2 level in English must be uploaded in the application system, if available. English competences will be otherwise assessed through a specific oral exam.

Exams	*Complete list of exams with name, marks, number of credits and disciplinary and scientific sector. Please, indicate the maximum mark that be obtained in the education system you followed and provide, when possible, the ECTS conversion*

OTHER QUALIFICATIONS

Technical skills and competences *Experimental, instrumental, computational methods*	*Provide a description of skills and competences and indicate where they were acquired (and certified, in case)*
Additional information	*Include here any other information that may be relevant relatively to the Master's in Bioinformatics.*
Statement of interest	*Provide a letter illustrating the training background, the professional motivations and aspirations related to the Master's Degree in Bioinformatics* *Free format and length.*
